

Assemblée générale annuelle 2022 Annual General Meeting

The ACRE Annual General Meeting will be held on **April 14th at 7:30 PM on Zoom.**

To attend the meeting, you can log into:

Join Zoom Meeting

<https://us02web.zoom.us/j/84098871552>

At the meeting we will do the following:

1. A report on the years activities of ACRE for 2021
2. An update on recent work with the Municipality of Chelsea on the Master Plan
3. An update on land acquisition project for conservation, including the Hundred Acre Wood and Forêt Jolicoeur McMartin
4. A financial report for 2021 and dedicated land management funds
5. An election of Board members
6. A notice of a special general meeting to pass new letters patent and bylaws
7. Open discussion on ACREs work and future direction.

The present bylaws call for an election of up to 7 persons to the ACRE Board. Based on current board members who are willing to serve another year and a previous call for new members, the following 9 people have put their names forward for the Board:

- Heather Barna - consultant biologist and former planner with a national land trust. Current board member working on land trust issues.
- Gary Fehr – works in human resource business and has some experienced as treasurer for the Cascades club. Standing for the Board with an expressed interest in being Treasurer.
- Gord Hill – lawyer working on environmental issues. Current Secretary of the board, also leading on bylaws and letters patent.
- Olaf Jensen – biologist and protected area professional. Current board member and Land Trust Director
- Claire Miquet – worked in international development. Standing for the Board and currently providing research on taxation and other issues.
- Stephan Moresoli – surveyor and geomatics specialist. Current board member working on membership, website and geomatics issues.
- Allyson Quinlan – conservation scientist working on sustainability issues globally. Current Board member working on ACRE’s input to the Chelsea Master Plan.
- Bronwyn Rayfield – conservation scientist working on ecological connectivity. Current board member working on land trust issues.
- Stephen Woodley – conservation scientist working internationally on protected areas. Current President of the Board.

If there are additional individuals who wish to put their name forward to the ACRE Board, please submit a letter of interest with your background and reasons for wishing to be on the Board by **April 10th**.

We look forward to seeing you at the AGM.

Stephen Woodley, President, [ACRE](#)
